## Mind Expert

Try to guess random pattern of symbols in the correct number and order by following the hints.

 Code-breaking game Mastermind made more attractive and fun. Try to guess random pattern of symbols in the correct number and order by following hints. Ultimate test for your mind

Ever played or heard of Mastermind game? This is improved digital version of it. Your task is to break the code, in correct number and order, of 5 elements chosen from the pool of 8 available symbols. Symbols can appear in the code more than once, thus making your task more challenging.

There are 7 trials in which you have the opportunity to guess the code. After each trial, small dots on the side give you a hint about how close you were. Fully colored red dot mean symbol and its position are correct, while hollow red dot is indicating the right symbol, but in the wrong position.

Solve the code in as few trials possible to get more points. Be fast and you will be rewarded with additional time bonus points.

## TECHNOLOGIES

Adobe Flash/Flex/AIR

## DESCRIPTION

Interactive in-class e-learning platform

1/2

The screenshot displays the Teach.Me eLearning System interface. At the top, the title 'Teach me' is visible, along with a user profile for 'Jimmy Rogers' and links for 'settings' and 'logout'. The main content area is divided into two main sections: 'Tests' and 'Files'.

**Tests Section:** This section contains a list of test questions. Question 14 asks for a written response with a placeholder 'type in your answer...'. Question 15 is a multiple-choice question with options 'Nunc ultrices gravida' (checked), 'Ut maurs' (unchecked), and 'Vevenenats' (unchecked). Question 16 is a text-based question with a diagram of a trapezoid ABCD. The top side AB is labeled with a question mark. The bottom side CD is labeled with a question mark. The left side AD is labeled with a question mark. The right side BC is labeled with a question mark. Below the diagram are three numerical options: 45, 35, and 25, with 25 having a checked checkbox.

**Files Section:** This section allows users to manage files. It includes a search bar, buttons for 'add pack', 'delete', and 'rename', and tabs for 'Background' and 'Avatar'. A grid of 15 user avatars is shown, arranged in three rows of five. Each row has three small circular arrows indicating more items. Below the grid, a section for 'Other' contains a message '7 items | refresh list'.

**Bottom Navigation:** A blue navigation bar at the bottom includes icons for 'Browse', 'Search', 'Lesson', 'Tests', 'Files', 'Class', 'Chat', 'Help', 'Exit', and a timestamp '9:52 AM'.

# Teach.Me eLearning System

2/2

The screenshot displays the Teach.Me eLearning System interface with the following components:

- Top Bar:** Features the "Teach me" logo, "Web" link, "Search" link, "Teach.me" logo, "My Tests" link, and a user profile for "Jimmy Rogers" with an "options" link.
- Email Module:** Titled "Email", it includes buttons for "new", "send/receive", "delete", and "labels". It shows tabs for "My Inbox" (selected), "My Sent", "My Drafts", and "Deleted". A search bar allows entering search criteria. A table lists incoming messages from various users with their subjects and dates.

Label	From	Subject	Date
teacher	Mr. Burns	Math test reports from last tuesday...	03/02/10
	Bo Blagoyevich	Hey dude wait 'till you hear this!	03/01/10
	Angie Jolie	Homework help	02/26/10
teacher	Mr. Burns	Missed class	02/25/10
	Stuart Rodman	Yo Jimmy check out these linx...	02/15/10

- Active chats Module:** Titled "Active chats", it lists ongoing conversations. It shows a message from "Stuart Rodman" and "Angie Jolie". A message from "Bo Blagoyevich" is shown with a text input field and a "send" button.
- Chat Module:** Titled "Chat", it shows a list of online users: "Stuart Rodman" (2 messages), "Angie Jolie", and "Bo Blagoyevich". It includes a text input field for messaging and a "send" button.
- Bottom Bar:** Includes links for "Home", "Backpack", "Classroom", "Email", "Chat" (with a red notification badge), "Settings", "Help", and "Exit". It also displays the current time as "9:52 AM" and a battery level of "50".

## TECHNOLOGIES

HTML5, ASP.Net, custom CMS platform

## DESCRIPTION

Unofficial website for promotion of  
Serbian tourism

The screenshot displays the homepage of Serbia.com. At the top, there is a search bar with the text "type here to search...". The top navigation bar includes links for "english" and "srpski", and a search icon. The main navigation menu includes "Travel", "Lifestyle", "News", "Business", "Shop", "Gallery", and "Serbia". A large banner image shows a winter landscape with a single tree on a snowy hill, with the caption "Prijepolje. Serbian landscape in winter..." and "Photo: Ivan Strahinic". Below the banner is a flight search form with fields for "Departure City" (Novi Sad), "Adults" (1), "Seniors" (0), "Children" (0), "Return" (Belgrade), and "Depart" (November 14, Anytime). A note states "A non-refundable service fee will be charged at the time of booking." To the right of the flight search are weather icons for Novi Sad (14°C, 5-15°C), Belgrade (14°C, 6-14°C), and Niš (12°C, 2-12°C). A city skyline silhouette is visible in the background. The "News and Highlights" section features articles: "Protestovali ljubitelji životinja u Beogradu" (with a photo of a protest), "Proglas o evropskoj Srbiji" (with a photo of two men at a podium), and "Obavezne dve zimske gume" (with a photo of a car tire). On the right, there is a "Spread the Word" section with social sharing icons for Print page, E-mail page, Twitter, Google +1, Facebook, and Like this. A social media update from "simonhelberg" is shown: "Check out @TheSoup tonight at 10 on E! I'm the DJ-ing doula opposite a stubborn @joelmchale." The update is 19 hours ago and has a "find out more" link. Below the news section is a "Cheap hotels" sidebar with a link to "Find Hotels By Price, Star Rating Or Location. Cheap hotels" and an "Ads by Google" note. The "Save on Las Vegas Hotels" sidebar offers "Amazing Las Vegas hotel discounts. Easily book your room today." The bottom right corner features a green bar with the text "UX/IxD/Dev".

**"Knowledge Factory 2010" is closed – the largest IT event in the region**

Monday, 20. September 2010, 13:58

In the past few days, from September 7th to 10th 2010, ComTrade Technology Center was the place of the largest IT event in the region. "Knowledge Factory" attracted the attention of experts, IT media, thousands of guests and a number of officials from several countries, putting information technology at the center of interest and pointing out the problems that hamper its development. During the four-day program a numerous happenings occurred:

[Full article »](#)

**ComTrade opened the doors of Knowledge Factory 2010.**

Wednesday, 8. September 2010, 10:07

Belgrade, September 7th, 2010. – Knowledge Factory, an event dedicated to business and education and lasting from September 7th to 10th, started today at ComTrade technology center in Belgrade.

[Full article »](#)

**ComTrade improves education in the region**

Monday, 23. August 2010, 10:16

Using only its own resources, IT company ComTrade created an electronic learning application named Teach.Me. This locally manufactured product is an effective system for providing the youngest users with secure internet environment, while at the same time allowing for a wide range of opportunities for curriculum improvement. In experts' opinion, the software solution fulfills all contemporary global standards in this area, including so called Parental Control.
